RE: Avery Landing Petroleum Contamination

Dear Mr. Dameworth:

We have been in contact with all the current property owners involved in the petroleum contamination near Avery, Idaho. They all have agreed to meet at this office on Thursday, December 15, 1988, at 1:00 PM to discuss the situation. The parties are David Theriault, the Federal Highway Administration, and the Shoshone County Public Works Department. Additionally, Joe Baldwin and/or Tim Mosko, from our groundwater unit, will attend. The expected agenda is as follows:

- * History - initial investigations and property owner identification
- * Regulations and cleanup requirements
- * Additional investigations needed
- * Cleanup methodologics
- * Responsibility for cleanup

We would appreciate you confirming this date on or before Monday, December 12, 1988.

Your cooperation is greatly appreciated.

Sincerely,

DIVISION OF ENVIRONMENTAL QUALITY
